AND UPON the Tribunal being satisfied that the terms of the Proposed Collective Settlement are just and reasonable

IT IS ORDERED THAT:

Approval of the Proposed Collective Settlement

1. Pursuant to section 49A(5) of the 1998 Act, the Proposed Collective Settlement is approved in the terms of the settlement agreement between the Class Representative and CSAV which was exhibited to the second witness statement of Mr Mark McLaren and is annexed to this Order (the “**Collective Settlement**”).

The Damages Sum

2. Pursuant to the Collective Settlement, and within 28 days of this Order, CSAV shall pay to the Class Representative £1,120,000 in full and final settlement of the claims for damages as against CSAV in these collective proceedings (the “**Damages Sum**”).
3. The Damages Sum shall be held in an escrow account until further order (and, in any event, until final determination of the Funding Matters (including any appeal)) in accordance with the arrangements described at paragraphs 89 and 90 of the fourth witness statement of Ms Belinda Hollway of Scott+Scott UK LLP, solicitors for the Class Representative.

Stay of collective proceedings against CSAV

4. These collective proceedings against CSAV shall be stayed upon the terms of the Collective Settlement, except for the purpose of enforcing those terms.

Opting out and opting in

5. The decision of the Tribunal as to the time and manner by when (i) represented persons domiciled in the UK on a domicile date to be specified may opt out of the Collective Settlement and (ii) represented persons not domiciled in the UK on that domicile date may opt into the Collective Settlement, shall be deferred until further order.

Notification

6. The Class Representative is to publicise this order using a notice approved by the Tribunal and in accordance with the proposal set out in the evidence in support of the CSAO Application.

Costs

7. Pursuant to the Collective Settlement, and within 28 days of this Order, CSAV shall pay the Class Representative:
 - (a) £280,000 in respect of CSAV's share of the Class Representative's costs of these proceedings (excluding any costs awards already made and settled between the Class Representative and CSAV and/or the other Defendants); and
 - (b) £100,000 by way of contribution to the Class Representative's costs of this CSAO Application or, in the event that such costs are less than £100,000, as an additional payment towards the Class Representative's costs falling within paragraph 7(a) above.
8. The £280,000 paid in accordance with paragraph 7(a) above shall be held in escrow and unallocated pending determination of the Related Costs Application.
9. As between the Class Representative and the Non-Settling Defendants, there be no order as to costs in relation to this CSAO Application.

General

10. There be liberty for each party to the Collective Settlement to apply to the Tribunal for purpose of enforcing the terms of the Collective Settlement without the need to bring a new claim.

11. There be liberty for the Class Representative and any represented person to apply in respect of paragraphs 3 and 5 of this Order.
12. There be liberty to apply in relation to the Class Representative's funding.

IT IS FURTHER ORDERED BY CONSENT THAT:

13. The Non-Settling Defendants shall not claim contribution from CSAV.
14. In the event that the Tribunal determines that CSAV's proportionate liability for damages in relation to these collective proceedings is a sum greater than 1.7% of the total liability of all Defendants (the "**Higher Proportionate Share**") then the damages which the Class Representative seeks from the Non-Settling Defendants will be further reduced by the difference between 1.7% and the Higher Proportionate Share.
15. CSAV shall not claim contribution from the Non-Settling Defendants.
16. The Non-Settling Defendants undertake not to appeal this Order.

THIS AGREEMENT is dated **27 September** 2023

BETWEEN

- (1) **Mark McLaren Class Representative Limited**, a company incorporated in England and Wales, with registered number 12449867 and whose registered address is at c/o Scott+Scott UK LLP, St Bartholomew House, 90-94 Fleet Street, London, England, EC4Y, for and on behalf of the Class, as defined in Annex 1 to this agreement (**McLaren**); and
- (2) **Compañía Sud Americana de Vapores S.A.**, a company incorporated in Chile, with company number 90160000-7 and whose registered office address is at Avenida Apoquindo 2827, 14th Floor, PC 7550268, Las Condes, Santiago, Chile (**CSAV**)

(together, McLaren and CSAV are the **Parties**).

WHEREAS

- (A) On 21 February 2018, the European Commission issued an infringement decision in Case AT.40009 – *Maritime Car Carriers* (the **Decision**), finding that there was a cartel in the market for deep sea carriage services on routes to and/or from the European Economic Area, which operated between 18 October 2006 and 6 September 2012 (the **Cartel**). CSAV was an addressee of the Decision (which the Parties refer to for its true meaning and effect).
- (B) On 21 February 2020, McLaren filed an application against CSAV and other defendants/respondents in the Competition Appeal Tribunal (the **Tribunal**), for a collective proceedings order pursuant to section 47B of the Competition Act 1998 and Rules 79 and 80 of the Competition Appeal Tribunal Rule 2015 (the **Tribunal Rules**), seeking to represent, on an opt-out basis, a class of natural and legal persons which McLaren alleges were harmed by the Cartel.
- (C) By order dated 20 May 2022, the Tribunal authorised McLaren to act as class representative to continue collective proceedings on an opt out basis, and certified the claims for loss and damages suffered by the Class (as defined in Annex 1 to this agreement) as a result of the Cartel (the **Collective Proceedings**) as eligible to be included in collective proceedings. The Tribunal’s decision was upheld by the Court of Appeal on 21 December 2022 and the Supreme Court refused permission to appeal. CSAV had not opposed McLaren’s application to act as class representative.
- (D) CSAV denies all and any liability to the Class (as defined in Annex 1 to this Agreement) and, in particular, that the conduct in the Decision as it relates to CSAV has caused loss or damage to the Class.
- (E) On 8 March 2023, CSAV filed a preliminary issue (**Preliminary Issue**) application in the Tribunal regarding the extent of its joint and several liability towards the Class.

- (F) In that context, CSAV and McLaren have engaged in arm's-length negotiations to settle the Collective Proceedings against CSAV.
- (G) In order to dispose of the Collective Proceedings against CSAV, considering, among other things, the potential and inherent legal risk associated with the Collective Proceedings against CSAV and the wish to avoid unnecessary legal and other costs, the Parties have agreed to terms for the full and final settlement of the Collective Proceedings as against CSAV, and wish to record those terms of settlement in this Agreement on a binding basis, subject to the Tribunal approving the settlement and making a collective settlement approval order in accordance with Rule 94 of the Tribunal Rules.
- (H) Such agreement involves the payment by CSAV to the Class of a Settlement Sum (as defined in Clause 1 below) in consideration of certain waivers, releases, covenants and other promises to be given by McLaren and pursuant to Rule 94 of the Tribunal Rules.

NOW, THEREFORE, in consideration of the mutual promises and other good and valuable consideration provided in this Agreement, the receipt and sufficiency of which are hereby acknowledged, THE PARTIES TO THIS AGREEMENT AGREE AS FOLLOWS:

- (c) the singular includes the plural and vice versa;

2. Terms of settlement

2.1 The Parties agree that in full and final settlement of the Collective Proceedings as against CSAV, subject to the Tribunal making a Collective Settlement Approval Order, CSAV shall pay McLaren on behalf of the Class, a total of £1,500,000 (one million five hundred thousand pounds) (the **Settlement Sum**).

2.2 The Settlement Sum will comprise:

- (a) the Damages Sum;
- (b) £100,000 (one hundred thousand pounds) by way of contribution to McLaren’s costs of the Approval Application, or in the event that such costs are less than £100,000, in additional settlement of CSAV’s share of the costs of Collective Action in accordance with Clause 2.2(c) below; and
- (c) £280,000 (two hundred and eighty thousand pounds) in full and final settlement of CSAV’s share of the costs of the Collective Action excluding any costs awards already made and settled between the Parties and/or the Defendants.

2.3 CSAV, or its solicitors, shall pay the Settlement Sum, within 28 (twenty-eight) days of the Tribunal making the Collective Settlement Approval Order by wire transfer, without deduction, to the following bank account:

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

- 2.4 CSAV will, through its solicitors, provide electronic evidence of payment of the Settlement Sum to McLaren's solicitors, Scott+Scott UK LLP (such evidence to be sent to: bhollway@scott-scott.com; dcampbell@scott-scott.com and rmanson@scott-scott.com).
- 2.5 In consideration of payment of the Settlement Sum, McLaren agrees, as far as it is legally able to and subject to the Tribunal making the Collective Settlement Approval Order, that McLaren, in its own capacity and/or on behalf of Represented Persons or other members of the Class will not seek and irrevocably waives all of its/their rights:
- (a) against CSAV and CSAV Released Parties, any claim(s) in connection with or relating to CSAV's conduct as set out in the Decision, as set out in greater detail in clause 8 below; and
 - (b) against any of the Non-Settling Defendants, any claim(s) in connection with or relating to CSAV's liability, or CSAV Released Parties' liability, for the conduct as set out in the Decision.
- 2.6 Subject to the Tribunal making the Collective Settlement Approval Order, CSAV agrees that it shall have no right to claim recovery whether from McLaren, Represented Persons or the Funder, of any of its costs incurred or to be incurred in relation to the Collective Proceedings or any related proceedings including, but not limited to, the costs of the Approval Application and any Further Approval Application, or repayment of costs already paid to McLaren over the course of Proceedings.
- 2.7 Save to the extent that CSAV chooses to make written or oral submissions, subject to the payment of the Settlement Sum, McLaren agrees that it shall have no right to claim recovery from CSAV and CSAV Released Parties of any of its costs incurred or to be incurred in relation to the Collective Proceedings or any related proceedings. In the event that CSAV does choose to make written or oral submissions in any application, it shall bear the potential costs and adverse costs risk of doing so.

3. Barring provision

- 3.1 The Parties agree that CSAV's highest estimated share on the relevant market during the relevant period was 1.7%, based on the value of sales in Recital 106 to the (non-confidential) Decision and other publicly available information at exhibit TR19 to TR32 of the First Expert Report of Tom Robinson dated 20 February 2023 (the **Percentage Market Share**). The Parties further agree that, subject to any judgment, order or indication from the Tribunal prior to the making of a Collective Settlement Approval Order that it does not agree that this is the correct approach, the Percentage Market Share is an appropriate basis on which to determine CSAV's share of the Defendants' collective liability to the Class.
- 3.2 Subject to this Agreement and the Tribunal making a Collective Settlement Approval Order, McLaren agrees to exclude the Percentage Market Share from the total value of commerce relevant to the Collective Proceedings, and the damages which McLaren seeks from the Non-Settling Defendants will be reduced accordingly.
- 3.3 As part of the Approval Application the Parties will jointly ask the Tribunal to impose:

- (a) a barring provision along the lines of that referred to at paragraph 6.131 of the Tribunal Guide which will prevent the Non-Settling Defendants from claiming contribution from CSAV, or CSAV Released Parties, including if the Tribunal were subsequently to determine that CSAV was liable to the Class for a greater share of the damages caused to the Class than the Percentage Market Share basis described at clause 3.1 above; and
- (b) a provision pursuant to which the Non-Settling Defendants will be prevented from subsequently arguing that CSAV, or CSAV Released Parties, were responsible for a greater proportion of the harm done to the Class than the Percentage Market Share and/or that McLaren has settled a portion of the Collective Proceedings greater than the Percentage Market Share

(together, the **Barring Provision**).

4. Distribution and reversion

- 4.1 McLaren confirms that, by this Agreement, CSAV is the first Defendant to settle in the Collective Proceedings.
- 4.2 The Parties agree that, subject to any deduction for costs, fees and disbursements approved by the Tribunal, the Damages Sum shall be held in escrow until the conclusion of the Collective Proceedings or such other time as McLaren considers it economical, proportionate and in the interests of the Class to seek to distribute it, and the Tribunal approves McLaren's Distribution Application.
- 4.3 McLaren shall in due course make an application seeking the Tribunal's approval to distribute the Damages Sum, less any deduction for costs, fees and disbursements approved by the Tribunal, to Represented Persons in accordance with a distribution plan prepared by McLaren in conjunction with a claims administrator and in a manner in which McLaren considers to be just and reasonable (the **Distribution Application**). McLaren's main objective will be to make as many Represented Persons as possible aware of their right to a share of the Distribution Sum and to encourage them to come forward to claim their share of the Distribution Sum.
- 4.4 McLaren shall provide CSAV with notice of the Distribution Application and any future applications relating to the treatment of the Settlement Sum (including, but not limited to distribution to class members, payment of costs, fees and disbursements, and treatment of any residual Damages Sum following distribution).
- 4.5 To the extent that any of the Distribution Sum remains after distribution, and after any other payments directed by the Tribunal, McLaren will seek a direction from the Tribunal that the Damages Sum or the remainder of the Distribution Sum, whichever is lower, will revert back to CSAV by way of the process envisaged in the final subparagraph of paragraph 6.125 of the Tribunal Guide (the **Reverter**).
- 4.6 In the event that McLaren agrees provisions that are similar in form or effect to those set out in paragraph 4.5 above with any of the Non-Settling Defendants, McLaren agrees that CSAV will receive the Reverter in full on a 'first in last out' basis, not pro-rated with the entitlement of any of the Non-

Settling Defendants (i.e. CSAV would be entitled to be paid the Reverter before the payment of any subsequent reversion(s) agreed in any future settlement(s) with any or all Non-Settling Defendant(s)).

4.7 By way of illustration only:

Example 1:

- The Distribution Sum is £100 million;
- £90 million is distributed (whether directly to the Class or otherwise as directed by the Tribunal following the Distribution Application), meaning £10 million of the Distribution Sum remains after distribution;
- The remainder of the Distribution Sum is £10 million and the Damages Sum is £1.12 million meaning the Damages Sum is the lower; therefore
- CSAV will receive the Damages Sum (£1.12 million) by way of reversion; and
- The remaining £8.88 million of the Distribution Sum shall be considered 'undistributed' for the purposes of Rule 93 of the Rules and paragraphs 6.87 to 6.90 (including footnote 70), 6.98 and 6.125 of the Guide, subject to any reversion provisions in any future settlement(s) with any Non-Settling Defendants.

Example 2:

- The Distribution Sum is £100 million;
- £99 million is distributed (whether directly to the Class or otherwise as directed by the Tribunal following the Distribution Application), meaning £1 million remains after distribution;
- The remainder of the Distribution Sum is £1 million and the Damages Sum is £1.12 million meaning the remainder of the Distribution Sum is the lower; therefore
- CSAV will receive £1 million by way of reversion; and
- None of the Distribution Sum shall be considered 'undistributed' for the purposes of Rule 93 of the Rules and paragraphs 6.87 to 6.90 (including footnote 70), 6.98 and 6.125 of the Guide.

4.8 For the avoidance of doubt, any terms of this Agreement relating to the Reverter will only be enforceable following the Tribunal's approval of the reversion mechanism set out in this agreement.

5. Collective settlement approval order

5.1 Without prejudice to the specificity of Clauses 5.2 to 5.6 below, at any time after the date of this Agreement the Parties shall execute such documents and do any such other acts and things as may be required for the purposes of giving full effect to the provisions of this Agreement.

5.2 The Parties shall work together, in good faith, to prepare and file a joint Approval Application.

- 5.3 In the event that any part of the Approval Application is unsuccessful:
- (a) the Parties agree that they shall be severally liable in equal share for any adverse costs awarded in relation to the Approval Application, whether in favour of any of the Non-Settling Defendants, one or more Represented Persons who make submissions in accordance with Rule 94(7) of the Tribunal Rules, or any other party;
 - (b) the Parties shall negotiate in good faith to prepare a further joint approval application, taking account of any judgments or obiter comments from the Tribunal, such that a collective settlement approval order will be made which, as far as possible, reflects the terms and spirit of this agreement (the **Further Approval Application**); and
 - (c) if, negotiating in good faith, the Parties cannot agree a Further Approval Application on terms acceptable to both parties, the terms of this Agreement shall not be binding on either Party, save in respect of Clauses 14 and 17 below, which shall continue in full force and effect.
- 5.4 In the event that the Further Approval Application is unsuccessful:
- (a) the Parties agree that they shall be severally liable in equal share for any adverse costs awarded in relation to the Further Approval Application, whether in favour of any of the Non-Settling Defendants, one or more Represented Persons who make submissions in accordance with Rule 94(7) of the Tribunal Rules, or any other party; and
 - (b) unless otherwise agreed in writing, the terms of this Agreement shall not be binding on either Party, save in respect of Clauses 14 and 17 below, which shall continue in full force and effect.
- 5.5 If more than one Further Approval Application is needed, the Parties agree that the Clauses 5.3 and 5.4 above shall apply to the preparation of additional Further Approval Applications, *mutatis mutandis*.
- 5.6 The Parties note Rule 94(15) of the Tribunal Rules and agree that, in the event that the Approval Application or any Further Approval Application is unsuccessful such that this Agreement is rendered not binding in accordance with Clause 5.4(b) above, the Parties shall not rely on or refer to at trial the existence, terms, form or content of this Agreement, the Approval Application and/or any Further Approval Application(s), and all prior or future negotiations in relation thereto, unless otherwise agreed in writing, save in respect of claims for costs.
- 6. Application in relation to costs, fees and disbursements**
- 6.1 For the purposes of satisfying Rule 94(9)(a) of the Tribunal Rules insofar as it concerns provisions of the settlement which relate to costs, fees and disbursements, McLaren shall file a separate application relating to costs, fees and disbursements (the **Costs Application**), which shall include any proposal in relation to Stakeholder Proceeds, as defined in Clause 1.42 of the Litigation Funding Agreement between McLaren and the Funder dated 18 February 2020.
- 6.2 The Parties agree that CSAV shall have no liability for the costs of or arising from the Costs Application. The Parties further agree that CSAV shall not make any written or oral submissions in relation to

Stakeholder Proceeds or the payment of costs, fees and disbursements at or in advance of the Costs Application, unless directed to do so by the Tribunal.

7. Stay of the Collective Proceedings

- 7.1 As far as is possible without order from the Tribunal, the Parties agree that any actual and potential deadlines regarding CSAV in the Collective Action, whether substantive or procedural, and whether set out in an order or in accordance with the Tribunal Rules, the Tribunal Guide, or any other Practice Direction, shall be suspended from the point of signing of this Agreement. Upon signing of this Agreement, the Parties shall work together to agree, and take all necessary steps to obtain a consent order to be filed at the Tribunal. The consent order will include a request formally to stay the Collective Proceedings as against CSAV.
- 7.2 Paragraph 7.1 above shall not apply to any orders relating to the Approval Application, the Distribution Application or any other applications relating to the Proposed Settlement.

8. Release and waiver

- 8.1 Subject to the Tribunal making the Collective Settlement Approval Order, as far as McLaren is legally able to, the Parties agree that the settlement set out in this Agreement is in full and final settlement of all and/or any actual or potential actions, claims, counterclaims, rights of set-off, indemnity, cause of action, right or interest (including interest and costs) which any Represented Person may have against CSAV or CSAV Released Parties in relation to the conduct as set out in the Decision, however and whenever arising, whether or not already known to the Represented Person, in whatever jurisdiction, whether in a court, tribunal and/or in arbitration, including (but not limited to) any claims for costs, or for account of profits, or for damages of any kind – including compensatory damages, punitive damages, treble damages, restitution, disgorgement, interest, costs and penalties – and whether on the basis of contract, equity, tort, restitution or unjust enrichment, and/or under antitrust or competition laws, or otherwise.
- 8.2 CSAV agrees that as part of its full and final settlement with McLaren, neither McLaren nor the Funder will have any liability in respect of any of CSAV's costs in the Collective Proceedings pursuant to any judgment, order, award and/or cost certificate of a competent court or tribunal made in the Collective Proceedings, and CSAV shall not be entitled to make any claim in relation to such costs against McLaren and/or the Funder, whether pursuant to the costs undertaking entered into between the Funder and the Defendants dated 12 April 2021 or otherwise.
- 8.3 For the avoidance of doubt, full and final settlement with CSAV and the release of CSAV Released Parties is not intended to and does not release any of the Non-Settling Defendants from any actual or potential actions, claims, counterclaims, rights of set-off, indemnity, cause of action, right or interest (including interest and costs) which any Represented Person may have against the Non-Settling Defendants, save to the extent that the Percentage Market Share is excluded from the total value of

commerce relevant to the Collective Proceedings and the damages which McLaren seeks from the Non-Settling Defendants are reduced accordingly pursuant to clause 3.2 above.

9. Agreement not to sue

9.1 Each Party agrees not to sue, commence, voluntarily aid in any way, prosecute or cause to be commenced or prosecuted against the other Party (or the CSAV Released Parties) or the Funder any action, suit or other proceeding concerning the conduct as set out in the Decision, in this jurisdiction or any other, save for the purposes of enforcing this Agreement.

10. No admission

10.1 The Parties agree that the Agreement is entered into without any admission of liability by CSAV and that CSAV denies that any members of the Class or any other person have suffered any loss or damages as a result of any anti-competitive behaviour in connection with the Cartel.

10.2 The Parties also agree that neither this Agreement nor any statement made in the negotiation thereof shall be deemed or construed to be an admission by or evidence against CSAV or evidence of the truth of any of McLaren's allegations against CSAV.

11. Effect of this agreement

11.1 The Parties agree that this Agreement shall immediately be fully and effectively binding upon them.

11.2 In the event that the Tribunal refuses the Approval Application, the Parties shall use their best endeavours, acting in good faith, to resolve or address any concerns which the Tribunal expresses, before filing a Further Approval Application seeking a Collective Settlement Approval Order.

11.3 Should the Tribunal refuse to make a Collective Settlement Approval Order on terms acceptable to the Parties, this Agreement shall cease to be binding in accordance with Clauses 5.5 and 5.6 above. For the avoidance of doubt, McLaren's claim against CSAV and CSAV's application for a Preliminary Issue would continue as if this Agreement had never been entered into.

12. Entire agreement

12.1 This Agreement constitutes the entire agreement between the Parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.

12.2 Each Party acknowledges that, in entering into this Agreement, it has not relied on any oral or written representation, warranty, or other assurance other than as expressly set out in this Agreement and waives all rights and remedies which might otherwise be available to it in respect thereof, provided always that nothing in this paragraph limits or excludes any liability for fraud.

13. Tax

13.1 Each party shall account solely for its compliance with its own tax liabilities and/or obligations arising from the Agreement.

14. Confidentiality

- 14.1 The Parties agree that this Agreement will form part of the joint Approval Application which will be filed at the Tribunal, served on the Non-Settling Defendants, and made available to Represented Persons (and their legal advisors or representatives) on request.
- 14.2 Unless otherwise stipulated in this agreement or ordered by the Tribunal, the substance of all negotiations in connection with this Agreement are confidential to the Parties, their advisers and the Funder, who shall not disclose them to or otherwise communicate them to, any third party without the written consent of the other Party other than:
- (a) to the extent that they form part of the Approval Application or evidence filed in support thereof;
 - (b) to the Parties' respective board members, auditors, accountants, insurers, lawyers and other professional advisors on terms which preserve confidentiality;
 - (c) to the Parties' relevant tax authorities;
 - (d) pursuant to an order of a court of competent jurisdiction other than the Tribunal, or pursuant to any proper Order or demand made by a competent authority, a tax authority or body where they are under a legal order or regulatory obligation to make such a disclosure; or
 - (e) as far as necessary to implement and enforce any of the terms of this Agreement against, including, but not limited to, the Non-Settling Defendants with regard to the defence against contribution claims.
- 14.3 In the case of a subpoena or court order or other third party legal request seeking or purporting to require access to this Agreement or information as to the substance of negotiations in connection with this Agreement (a **Disclosure Request**), the Parties agree to notify each other promptly upon receipt of the Disclosure Request and to provide to the other Party a copy of the subpoena, court order or request, provided that such notification is not otherwise prohibited by law. The Parties agree to use reasonable endeavours to cooperate with each other to prevent or limit the disclosure of the substance of negotiations in connection with this Agreement (including any drafts) or any parts of it and to provide each other with a reasonable opportunity to take action to prevent production of the substance of negotiations in connection this Agreement or disclosure of any confidential information relating to this Agreement or to ensure that any such production or disclosure should be subject to appropriate confidentiality restrictions.
- 14.4 If applicable and in accordance with this Agreement, the Parties shall agree non-confidential versions of this Agreement, the Approval Application and any evidence filed in support of the Approval Application, for service on the Non-Settling Defendants or production to Represented Persons (and their legal advisors or representatives) in accordance with Clause 14.1 above or for any other purpose, including but not limited to responses to requests pursuant to paragraph 9.64 of the Tribunal Guide.

14.5 It shall not be a breach of this Clause 14.2 for the Parties to publicise, including for the purposes of satisfying McLaren's notice requirements and wider duties to the Class, that McLaren has settled the Collective Proceedings as against CSAV, subject to the Tribunal's approval (if applicable). The Parties may publicise and/or confirm:

- (a) the existence of this Agreement;
- (b) the Settlement Sum and related provision as to the payment of costs, fees and disbursements;
- (c) the Barring Provision;
- (d) the Reverter;
- (e) the implications for Represented Persons and their ability to opt-out of the Collective Settlement; and
- (f) any other facts or terms which the Tribunal directs.

14.6 As part of the Approval Application, the Parties shall agree wording for a notice of application for a collective settlement approval order in accordance with Rule 94(4)(f) of the Tribunal Rules (the **Application Notice**), and a notice of collective settlement approval in accordance with Rule 94(13) of the Tribunal Rules (the **Approval Notice**). Subject to any amendments by the Tribunal, McLaren shall publicise the Application Notice and the Approval Notice in accordance with the Notice and Distribution Plan.

15. Severability

15.1 If any provision or part-provision of this Agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted, while the remaining provisions of this Agreement shall continue in full force and effect. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this Agreement.

16. Counterparts

16.1 This Agreement may be executed in any number of counterparts, each of which shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement.

17. Jurisdiction and applicable law

17.1 This Agreement and any non-contractual obligations arising out of or in connection with this Agreement shall be governed by, and interpreted in accordance with, English law.

17.2 The English courts shall have exclusive jurisdiction in relation to all disputes arising out of or in connection with this Agreement, including disputes arising out of or in connection with: (i) the creation, validity, effect, interpretation, performance or non-performance of, or the legal relationships established by, this Agreement; and (ii) any non-contractual obligations arising out of or in connection with this

Agreement. For such purpose, each Party irrevocably submits to the jurisdiction of the English courts and waives any objection to the exercise of such jurisdiction.

18. Alterations and amendments

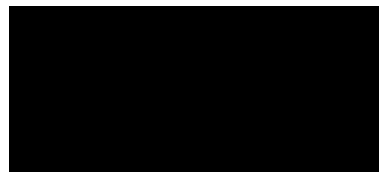

18.1 Any alteration of or amendment to this Agreement shall be in writing and signed by or on behalf of each Party. This requirement of written form shall also apply to any amendment to or waiver of the requirement of written form as stipulated in the present provision.

19. Authority

19.1 The Parties to this Agreement expressly represent and warrant that the execution and performance of, and compliance with, their respective obligations under this Agreement is fully authorised by each of them and that the persons executing the Agreement have the necessary authority to do so.

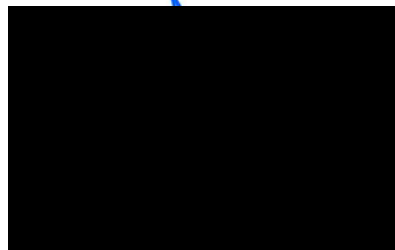

This agreement has been entered into on the date stated at the beginning of it.
